## Recruitment of JRF

Applications are invited from highly motivated candidates with good academic record to work in a DST funded research project entitled "Challenges in Particle Physics after Higgs Discovery". The aim of the project is to explore the electroweak symmetry breaking, to complete our quest for the origin of mass.

Qualification: M.Sc. in Physics with CSIR/UGC-NET or a valid GATE certificate.

Stipend: As per DST norms. In addition HRA and Medical facilities as per Institute rules.

Age Limit: As per DST norms.

How to Apply: Applicants should send a detailed resume to [rakshit@iiti.ac.in](mailto:rakshit@iiti.ac.in).

Last Date: This position will remain open until a suitable candidate is found.

Only shortlisted candidates will be called for the interview. Selected candidates will be intimated by email. No TA/DA will be paid for appearing for the interview.
