**Sub: 1<sup>st</sup> International Conference on Hydrogen Energy – Policies, Infrastructure Development and Challenges on 24 - 25 November 2021 at New Delhi (India) – Request for Nomination – reg.**

Dear Sir,

Greetings from Central Board of Irrigation & Power (CBIP) !

We are happy to inform that the Central Board of Irrigation & Power is organizing 1<sup>st</sup> International Conference on Hydrogen Energy – Policies, Infrastructure Development and Challenges on 24 - 25 November 2021 in the Conference Hall of CBIP, New Delhi (India). A copy of the Information bulletin giving details about topics, registration fee etc. is enclosed for kind information please.

Hydrogen is one of the most abundant elements in the universe and could play a significant role in the transition to a clean and low carbon energy system. This is upcoming technology at international level and can be economical for a sustainable future energy.

Considering the prominence of the subject and inspired by the recent speech of Hon'ble Prime Minister of India on the occasion of celebration of 75<sup>th</sup> Independence Day, where the need of clean energy was emphasized and national Hydrogen Mission was also launched by the Hon'ble Prime Minister, CBIP has taken an initiative to organize 1<sup>st</sup> International Conference on the subject.

The key discussions during the conference will be Policy, road map for adoption, Technologies, Applications, Issues & Challenges, and Research & Innovations etc.

Eminent National & International experts will be making presentations during the above important Conference.

In view of the importance and relevance of the subject, we request you to kindly consider arranging nominations from your end to attend the above conference.

We are sure that participants will be benefitted immensely through interaction with the senior level experts on the subject during the conference.

We look forward to your kind cooperation & early response on the above for making the conference successful.

Thanking you,

Yours faithfully,
